Advices and suggestions: excellent view to the group of the Cadini, from the <u>Locatelli hut</u> best view to the north Walls of the Three Peaks. Easy tour but pay attention in case of fog. Start as early as possible in the morning to find a bit of quiet

Points of retreat: Auronzo hut, Lavaredo hut, Locatelli hut, Lange Alpe hut

Alternative tour: from the Locatelli hut descent to Fischlein Valley (ca. 2,5 hours - 900m)

Summary: an easy tour around of the symbol ensemble of the Dolomites! Simply spectacular, in the first part many persons. Arriving by bus to the Auronzo hut makes only sense if you go back form the Drei Zinnenhut to Sexten and the Berghotel passing the Fischleinvalley by foot. Not possible with strollers.
