

## 2) The meadows of Monte Casella – world of flowers in the natural park Dolomiti di Sesto

**At a quick view:** Berghotel - fortress Haideck – meadows Fischlein valley - Innergsell meadow –Außergsell -Sesto - Berghotel

<b>Starting point</b>	Moso / Berghotel (1.370 m)
<b>Difference in altitude</b>	Ca. 810 m
<b>Highest point</b>	Monte Casella di Dentro (2.065 m)
<b>Length of trail</b>	Ca. 15 km
<b>Time of walking</b>	Ca. 4-5 hours
<b>Difficulty</b>	•••○○

**Description of the way:** we start from the Berghotel (1371 m) and go to the other side of Moso where the way 1 goes southward in middle of the forest, passing the ex Fort Haideck and until the cross with the path number 12. We take this steep path turning right, cross some brooklets and colourful flower meadows and arrive at the highest point of the excursion – the Monte Gsell inner – where we have a spectacular view to the mountains of Sexten. We go on towards West on a rocky way and arriving on the Monte Casella di Fuori where is a fountain and a private hut. To go down we take the large pathway nr. 12 until we arrive at the crossing with the path 12b which we take on our right finishing in the centre of Sexten and back to the Berghotel.

**Advices:** An insider tip for those who are searching for quietness, solitude and nature. The trails to meadows are easy but partially steep.

**Summary:** If you love the silence, solitude and a sea of flowers, this excursion is right for you. You have to take food and drink because there is no managed hut.
