Starting point: [Rif. Auronzo](#) 2320m reachable on a toll road from Misurina – 29 km from Dobbiaco

Description of the way: From the Berghotel you can go by car (toll road!) or bus to the car park at the Auronzo hut (Rif. Auronzo). We start our round trip on the flat and sunny gravel path number 101. After about 15 minutes we reach a small church and immediately the Lavaredo Hut (2344m). We continue our walk until we reach the Paternsattel, the highest point of the walk (2452 m). Slightly descending and later again slightly ascending, our hike at the foot of the Paternkofel we are continuing our hike to the Drei Zinnen Hut. From here the view of the mighty Dolomite giants is a real dream. Now our hiking route leads us along trail no. 105 further on in the direction of the Lange mountain pasture. From here a hiking trail leads back to the starting point.

Physical requirements: no problems along the way – easy to go

Panorama: excellent view to the group of the Cadini, from the [Locatelli hut](#) best view to the north Walls of the Three Peaks
